CRITERIA				
Overall Design and Layout (20pts)	**Proficient**	**Basic**	**Limited**	**Inadequate**
	5	**4**	**3**	**1**
Attractive and cohesive design with a visually appealing color scheme and typography.				
Consistent layout and spacing throughout the webpage.				
Effective use of whitespace and alignment for readability.				
Use of responsive design for various screen sizes and devices.				
Navigation Menus (20pts)	**6**	**5**	**4**	**2**
Clear and prominently displayed Home Page, Blog Page, and Flex Page navigation menus.				
Functional navigation links that accurately lead to the designated pages.				
	4	**3**	**2**	**1**
Use of hover effects or other visual cues to indicate active or selected pages.				
User-friendly navigation flow, making it easy to access each menu.				
Content (30 points)	**10**	**9**	**7**	**3**
High-quality and engaging content on the Home Page, including a brief introduction or welcome message.				
A well-organized Blog Page with a minimum of three blog posts, each with a title, date, and content.				
The Flex Page should contain dynamic and interactive content, such as forms, images, or multimedia elements.				
Interactivity and Responsiveness (10 points)	**5**	**4**	**3**	**2**
Effective use of interactive elements on the Flex Page, enhancing user engagement.				
Responsiveness, ensuring that the webpage adapts well to different screen sizes and orientations.				
Technical Aspects (15 points)	**5**	**4**	**3**	**2**
Valid HTML and CSS coding practices, adhering to web standards.				
Properly functioning links and forms.				
Fast loading times and minimal technical errors.				
Creativity and Innovation (10 points)	**5**	**4**	**3**	**2**
Demonstrated creativity in design, layout, or interactive features.				
Innovative elements that set the webpage apart from typical designs.				
Documentation and Attribution (10 points)	**5**	**4**	**3**	**2**
Proper attribution for any external resources used (images, fonts, etc.).				
Clear and well-organized documentation for the code, including comments and an explanation of the design choices.				
Timeliness (10pts)	**5**	**4**	**3**	**2**
Adherence to the planned development timeline.				
Meeting milestones and deadlines.				
TOTAL: *(125 pts)*
